## **Exotica** David Toop

"Exotica" takes a look at the music and people behind some of the world's most witty, experimental and adventurous sound recordings. Since the invention of the microphone, people have experimented with sound, putting everything from thunderstorms and dolphin sounds, medical operations, native jungle drums and junkyard trash down on vinyl. Notions of the exotic have inspired popular music and musicians in all fields from classical, through "easy listening" to rap - from Stravinsky to the Boo-Yah T.R.I.B.E David Toop takes the reader through the 20th century's fascination with exotica, its icons and practitioners, taking in the work of Les Baxter, the meaning of Carmen Miranda, leopard skin leotards and pink fluffy cubicles, elevator music and more. Included are interviews with Burt Bacharach, Ornette Coleman, Bill Laswell, YMO's Haroumi Hosono, and Nusrat Fateh Ali Khan.
