How It Is

Samuel Beckett

How It Is Samuel Beckett

“It is one thing to be informed by Shakespeare that life “is a tale told by an idiot signifying nothing”; it is something else to encounter the idea literally presented in a novel by Samuel Beckett. But I am reasonably certain that a sensitive reader who journeys through *How It Is* will leave the book convinced that Beckett says more that is relevant to experience in our time than Shakespeare does in *Macbeth*. It should come as no surprise if a decade or so hence *How It Is* is appraised as a masterpiece of modern literature. This poetic novel is Beckett at his height.” — Webster Schott

“A wonderful book, written in the sparest prose. . . . Beckett is one of the rare creative minds in our times.”
— Alan Pryce-Jones

“What is novel is the absolute sureness of design. . . built phrase by phrase into a beautifully and tightly wrought structure — a few dozen expressions permuted with deliberate redundancy accumulate meaning even as they are emptied of it, and offer themselves as points of radiation in a strange web of utter illusion.”
— Hugh Kenner
