Photographers are guided through every aspect of posing—beginning with the consultation and continuing with specific tips for posing children, high school seniors, wedding parties, families, events, teams, groups, and pets—in this comprehensive manual. Maintaining that good posing is 80 percent mental and only 20 percent technical, this guide stresses the importance of communication between photographer and subject to creating a portrait that not only captures the subject's personality but also makes the subject comfortable, fostering repeat business.
