## **Pauline Christianity (Oxford Bible Series) J. A. Ziesler**

This revised edition of John Ziesler's broad yet detailed overview of St. Paul's thought and distinctive kind of Christianity is intended for a general readership, and is therefore of wider value than individual and more technical commentaries. Dr. Ziesler's starting point is St Paul's view of Jesus Christ as marking the end of an era and the beginning of a new world and a new humanity. The concentration is on theology, but matters of authorship and dating are discussed briefly where relevant. A number of key passages from the Pauline letters are given a more extended treatment.
