The Marble Collector Cecelia Ahern

A forgotten childhood. A discovered life.

What if you only had one day to find out who you really were?

When Sabrina Boggs stumbles upon a mysterious collection of her father's possessions, she discovers a truth where she never knew there was a lie. The familiar man she grew up with is suddenly a stranger to her.

An unexpected break in her monotonous daily routine leaves her just one day to unlock the secrets of the man she thought she knew. A day that unearths memories, stories and people she never knew existed. A day that changes her and those around her forever.

The Marble Collector is a thought-provoking novel about how the most ordinary decisions we make can have the most extraordinary consequences for how we live our lives. And how sometimes it's only by shining a light on someone else, that you can truly understand yourself.
