Vespa: Italian Street Style Davide Mazzanti, Ornella Sassa

From *Roman Holiday* to *Quadrophenia*, the Vespa scooter has long been a symbol of youthful independence as well as one of the most recognizable pop culture icons of the 20th century. Immortalized as a design classic, the ever-growing ranks of Vespa dealers and scooter clubs worldwide attest to its enduring popularity at the street level. For the first time, the complete history of this chic mode of transport is celebrated in *Vespa: Style in Motion*. Fully authorized by and drawn from the archives of its manufacturer, Piaggio, this mighty volume tells the Vespa's story from its birth, right after World War II, to the brand new Granturismo model. *Vespa* is filled with hundreds of film stills, advertisements, and period photographs, offering a visual homage for any fan of Italian flair. Specifications and diagrams of all 41 scooter models, plus in-depth profiles of 15 classic Vespas, provide a detailed reference for true aficionados. Always in vogue, the Vespa remains the ride of choice for hipsters and internationalists everywhere. This, for them, is the last word.
