*With the helpful materials in this newly designed kit, small groups and classes will maximize John Piper's biblical charge to make our lives count for eternity.*

Ask the average person to sum up his ideal life in a few words, and he'd describe the American dream: College. Job. Marriage. House. Kids. Comfortable income. Retire.

Though God designed people for far more than this, nevertheless millions waste their lives on such "fatal success"-all because they have not awakened to the simple, biblical reality that "to live is Christ, and to die is gain." But this valuable resource can assist churches, small groups, and teachers in reversing that empty trend.

The newly redesigned kit combines a group study edition based on John Piper's best-selling book *Don't Waste Your Life*, with a ten-session DVD featuring his teaching, plus a full-length study guide and leader materials. It contains everything a ministry or facilitator needs to stimulate discussion within a group and to convey Piper's passion to make our lives count for eternity.
