Just when you think the past is behind you. That's what Marvin Riggs thought when his pursuer in the novel "Blood Drive" was finally killed. No more running and hiding from a past created by his father, who is now hiding in the mountains of Martin's Hill because the entire world thinks he's a dead man. "Lie in the Grave" is the ongoing saga of Marvin Riggs and his attempt to break free from his past and preserve the secret of his father's existence. He moves to Martin's Hill to start a new life and be closer to his Dad. But he soon finds himself in the midst of a plot to bury him once and for all. Marvin learns quickly that no one can be trusted. Like before, he will need to take matters into his own hands. Revenge will be his only option. Some people will have to die. Whatever it takes to keep the secret. . .
