Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. "Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. . . . She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny" -Susan Slusher, Dean, Christian International Equipping Network
