Educating Oppositional and Defiant Children

Philip S. Hall, Nancy D. Hall

Educating Oppositional and Defiant Children Philip S. Hall, Nancy D. Hall

Oppositional and defiant children present a major challenge for teachers and other educators. Students with serious behavior disorders can become aggressive, disruptive, and even violent in class. But instead of becoming frustrated with this antisocial behavior, educators need to approach each child individually with patience and understanding.

Using stories based on actual classroom cases, Philip S. Hall and Nancy D. Hall illustrate the key concepts and techniques needed to successfully teach oppositional students. They believe that the teacher's own behavior can positively influence the student's reactions, and they offer practical advice on what approaches work and don't work. Readers will learn how to

- Identify the risk factors that can trigger antisocial behavior;
- Engineer the classroom environment, routines, and tasks to increase success;
- Interact in ways that promote positive behavior;
- Temporarily remove a disruptive child from the classroom while preserving the child's dignity;
- Work with the child's parents to find the appropriate special education services;
- Guide parents toward effective training programs; and
- Develop a school culture with the values and beliefs to nurture oppositional students.

Students with oppositional and defiant behavior must feel they are emotionally and physically safe in the classroom. The authors show how educators can help students move from despair to hope, from anger to comfort, and from failure to success.

From reader reviews:

Lee Parkin:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining for example comic or novel. Typically the Educating Oppositional and Defiant Children is kind of e-book which is giving the reader unpredictable experience.

Scott Tucker:

Reading a reserve can be one of a lot of task that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new facts. When you read a book you will get new information since book is one of a number of ways to share the information or maybe their idea. Second, studying a book will make an individual more imaginative. When you reading a book especially tale fantasy book the author will bring you to imagine the story how the personas do it anything. Third, you may share your knowledge to some others. When you read this Educating Oppositional and Defiant Children, you could tells your family, friends and soon about yours guide. Your knowledge can inspire others, make them reading a book.

Jerry Melgar:

This Educating Oppositional and Defiant Children is great e-book for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it data accurately using great organize word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but challenging core information with attractive delivering sentences. Having Educating Oppositional and Defiant Children in your hand like having the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen minute right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt which?

Delbert Storey:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's

country. So , this Educating Oppositional and Defiant Children can make you truly feel more interested to read.
