This children's book is one of many kids books telling us a story about a little Julie, who is an unusual girl! 'This girl when she wants something, she can move a mountain' her mother states. And sure enough Julie climbs a mulberry tree, makes her breath become a storm, grows wings and flies as a sparrow, even makes a fever when she is sick she becomes like the flame of a candle, makes her pink dress become an enchanted flower, becomes a protective whale swimming in the sea, becomes a rolling hoop, becomes the queen of darkness when frightened momentarily by her own shadow, when she is afraid she becomes a powerful magic woman who makes fear a faithful servant, at night she dreams she shines like a star and climbs a ladder of clouds, and when she awakens in the morning she feels the sun's rays penetrating her body - and that is likely the reason her mother calls Julie her shining beam light.

Eyvgeni, illustrated the book with a lot of sensitivity, talent and love\*\*

"Pure fantasy this time around, Anat Umansky extends her own imagination to create one of the most beautiful of her books. Little girls will especially love this beautiful, imaginative adventure and even expand their own ability to infuse imagination into their own lives." Grady Harp,

"The illustrations had a surreal quality that went with the story perfectly. "A Journey Into Imagination" may be an ideal story for sparking a young child's imagination and sending them on their own fantasy adventure." J. Chamber

" I highly recommend this charming children's book for both toddlers and young children who will definitely

love and identify with Julie as they learn the fun of playing “let’s pretend” and maybe even discover that what they pretend can become a positive reality for them when they get older! In addition, the vocabularies of small children will be enhanced as they read this book and grown ups can happily bond with young kids as they read this story together. Great work, Anat and Eevgeny; keep these fine children’s books coming!" Matthew G. Sherwin
