Meet Eloise, the precocious darling of the Plaza Hotel!

Eloise is a little girl who lives at The Plaza Hotel in New York. She is not yet pretty but she is already a Person.

Henry James would want to study her.

Queen Victoria would recognize her as an Equal.

The New York Jets would want to have her on *their* side.

Lewis Carroll would love her (once he got over the initial shock).

She knows *everything* about The Plaza. She is interested in people when they are not *boring*.

She has Inner Resources.

If you take her home with you, you will always be glad you did.
