## Faith 101-Deliverance from Evil Vince "Brim" Cuellar

The ministry of deliverance is about bringing spiritual victory and freedom to those who are in bondage. It doesn't matter what one calls it (demonized, possessed, obsessed, etc.), if they are in demonic bondage, whether they simply need inner healing, need to tear down a stronghold, remove legal rights, or cast a demon out individually or all four... it's still deliverance, because it's setting captives free. This is where so many ministries miss the mark. They think that it's as simple as commanding the demon to come out, and there's nothing more they can do. This is a grave mistake that causes many to walk away from deliverance still in bondage. So, with that said I feel that it is important to help others learn what Jesus Christ taught. Doing so by mentoring and guiding them to become knowledgeable in His word but also in the strategies He taught about Spiritual warfare. The strategies will teach one not only how to defend themselves but also how to win not only the small skirmishes and battles but the entire war. Within the following pages, chapters and webcasts you will learn exactly that. You will come to see and understand that regardless of what you may think or believe God is manifested both physically at the molecular level and spiritually within each and every living thing that has a heartbeat. Enjoy and many blessings to you and yours...
