Pyromania is an impulse control disorder in which individuals repeatedly fail to resist impulses to deliberately start fires, in order to relieve tension or for instant gratification.

Damon DeLuca, or Luca as they called him. I thought of him more as Damien, the fucking devil within these walls that now is my life. Dark, broody, and deadly to any woman. Mind-blowing, soul-shaking, raw sex appeal. He was a tall statured boy with broad shoulders and a pair of green eyes that set my soul on fire. His inky black hair framed his hard, chiseled features. He had the type of body that had no business being on a seventeen-year-old. I knew that once he fully developed, he'd be nothing short of drop-dead gorgeous. As I said...deadly on the eyes...and dangerous for your heart.

My name is Allison. I met Luca through an unfortunate event when we were younger. I'm now twenty-four, and this is my story. My fucked up life. It's not a pretty one. Then again, the most interesting ones aren't...are they? This isn't your usual love story. Anything but. There are no blue skies, rainbows, or unicorns. Only him...my own personal arsonist. He had the ability to set my panties on fire, leave my body smoldering, and turn my heart into burning embers. He scared the hell out of me, made me feel. He opened my eyes to the world of twisted love. But love no less. This

scary, beautiful man stole my heart from a young, tender age and refused to give it back. Here's our story... This story is deep, dark, and deals with real scars and growth because of them.
