*The 47th Samurai*

Bob Lee Swagger and Philip Yano are bound together by a single moment at Iwo Jima, 1945, when their fathers, two brave fighters on opposite sides, met in the bloody and chaotic battle for the island. Only Earl Swagger survived.

More than sixty years later, Yano comes to America to honor the legacy of his heroic father by recovering the sword he used in the battle. His search has led him to Crazy Horse, Idaho, where Bob Lee, ex-marine and Vietnam veteran, has settled into a restless retirement and immediately pledges himself to Yano's quest.

Bob Lee finds the sword and delivers it to Yano in Tokyo. On inspection, they discover that it is not a standard WWII blade, but a legendary shin-shinto katana, an artifact of the nation. It is priceless but worth killing for. Suddenly Bob is at the center of a series of terrible crimes he barely understands but vows to avenge. And to do so, he throws himself into the world of the samurai, Tokyo's dark, criminal yakuza underworld, and the unwritten rules of Japanese culture.

*Night of Thunder*

Woe unto he who crosses Bob Lee Swagger, especially when his daughter's life is at stake. Forced off the road and into a crash that leaves her in a coma, clinging to life, reporter Nikki Swagger had begun to peel back the onion of a Southernfried conspiracy bubbling with all the angst, resentment, and dysfunction that Dixie gangsters can muster. An ancient, violent crime clan, a possibly corrupt law enforcement structure, gunmen of all stripes and shapes, and deranged evangelicals rear their ugly heads and will live to rue the day they targeted the wrong man's daughter. It's what you call your big-time bad career move. All of it is set against the backdrop of excitement and insanity that only a weeklong NASCAR event can bring to the backwoods of a town as seemingly sleepy as Bristol, Tennessee.
