Teaching for Diversity and Social Justice

Teaching for Diversity and Social Justice

For nearly a decade, *Teaching for Diversity and Social Justice* has been the definitive sourcebook of theoretical foundations and curricular frameworks for social justice teaching practice. This thoroughly revised second edition continues to provide teachers and facilitators with an accessible pedagogical approach to issues of oppression in classrooms. Building on the groundswell of interest in social justice education, the second edition offers coverage of current issues and controversies while preserving the hands-on format and inclusive content of the original. *Teaching for Diversity and Social Justice* presents a well-constructed foundation for engaging the complex and often daunting problems of discrimination and inequality in American society. This book includes a CD-ROM with extensive appendices for participant handouts and facilitator preparation.
