Bob Brier, Jean-Pierre Houdin

The Secret of the Great Pyramid is a thrilling intellectual adventure story about the most exciting discovery in Egyptology in decades. Bob Brier, along with French architect Jean-Pierre Houdin, tells the remarkable true story of Houdin's obsession with Egypt's Great Pyramid, one of the Seven Wonders of the World: how, in an ancient agrarian society not long removed from the Stone Age, such a remarkable structure could have been envisioned and constructed. At once the story of Houdin's determined search for answers to the puzzle that have eluded scientist and Egyptologists for centuries and a fascinating history of the planning and building of the magnificent edifice, *The Secret of the Great Pyramid* is an extraordinary work that puts the mystery to rest, once and for all.
