A collection of 31 brief reflections for parents on how children can be windows to a greater understanding of the Heavenly Father. The author points to the truth that when we see God's wisdom through the unique lens of a child's life, we will be reminded that children indeed are a blessing from the Lord. Great reading and inspiration for both mom's and dad's both the frenzied and the serene. "This book of moments from my friend Tamara is not for 'mommies only.' It is for anyone who longs for fresh insights from the heart of a seeker in sneakers." --Gloria Gaither.
