Lancaster (Images of America: Ohio) Connie L. Rutter, Sondra Brockway Gartner

Lancaster, Ohio, with a population of around 35,000, sits snuggled among the rolling hills at the base of a sandstone bluff that the Wyandot Indians called "Standing Stone." Just east of the Hock-Hocking River in Fairfield County and a few miles southeast of Columbus, Lancaster was founded on November 10, 1800, by Col. Ebenezer Zane (1747-1811). The city's rich history is celebrated today in one of the most significant historic districts in the Midwest, known as Square 13. The city offers a walking tour of the area, originally designed in 1800. In a 24-block area, 89 buildings have been designated on the National Register of Historic Places, and the Sherman House Museum is listed as a National Historical Landmark.
