There are many today who claim The Master Key System is the greatest book ever written. It is simply one of the finest studies in personal power, metaphysics, and prosperity consciousness that exists. Covering everything from how to create abundance and wealth to how to get healthy, the author Charles F Haanel leaves no stone unturned. With precision, he elucidates on each topic with logic and rigor that not only leaves you feeling good, but also thinking good. The book was banned by the Church in 1933 and has been hidden away for decades. The Master Key System by Charley F. Haanel is the only clear, concise, comprehensive, definitive, distinctive, cogent, and scientific presentation of the Creative Power of Thought ever formulated by any one person at any one time. The Master Key System teaches its readers that everything around us was first developed as a thought. Thought, therefore, is the powerful catalyst towards making any idea a reality. Based upon the principle of using thought as the manifestation of creative energy, The Master Key System instructs the reader on how to use the power of these thoughts to realize your dreams. Divided into twenty-four sections with exercises in each section to train and develop your mental skills, The Master Key System is to be read at the slow pace of one chapter per week. Take your time, re-read each section, and memorize its contents before moving on to the next. Follow these steps and watch your thoughts turn into reality.
