There are open doors for ministry here on earth as never before. But what we really need is open doors in the heavens. The open doors in the heavens happen when there are men and women and children willing to do the will of God without considering the consequences and without considering their own lives.

Until the Day Breaks and the Shadows Flee Away takes a close look at numerous scripture passages to help us prepare spiritually and bodily for the end times. We truly are in the last days, but few are looking up. Few understand exactly how the Lord himself would have us prepare for his return. What's important to him is a clean heart. This book explains how that looks from a practical perspective.

About the Author

Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell's ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and via numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether it's to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
