This popular vocabulary-building program, previously available in audiocassette tape format, is now being issued on compact discs. Based on Murray Bromberg and Melvin Gordon's bestselling classroom book, *1100 Words You Need to Know*, this program presents seven humorous dramatizations designed to build students' word power while preparing them for the SAT, ACT, and ESL tests. Dramatized stories include those of a hapless football team, a private eye, a chef with an accident-prone cooking show, and others. All stories keep their listeners amused while they introduce words and word meanings in the context of informal conversations. A 32-page booklet lists the words-to-learn from each dramatization and provides brief definitions for them all.
