"Every engaged couple dreams of a perfect wedding day. This book is a guide to help couples make those wedding preparations. Some suggestions might not apply to unique situations or to the type of day some couples have planned, but they might help. According to the author, although the suggestions to be discussed will cover more than a one-year period, a wedding can be planned in less time with hard work and some luck. Throughout this guide, readers will be given a wide range of ideas and suggestions. Suggested time frames will be given, which should facilitate planning and probably avoid mistakes. These plans start from the moment couples decide to get married to the final steps after the big day is over.
