Danielle Verona can't believe the band picked her to be their new lead singer. She's on the road, performing at all the hot clubs. The adoring fans, the bright lights—it's a dream come true! But when nighttime falls, Danielle can feel the terror in the darkness. There's eerie howling outside her window. And then a band member is killed, ripped to shreds by a wild animal. Danielle knows something is out there, lurking in the moonlight. Something savage...and hungry.
