From the sand swept beaches of the Caribbean to the glitz and glamour of Manhattan, curvy girl Patty Danville finds herself in over her head, having fallen for bad boy billionaire, Alexander Kent.

Patty isn't too keen on jumping into another relationship, having escaped to St. Martin to nurse a broken heart. On a lazy morning walk she encounters a man sleeping on the beach, believing him to be homeless. The blonde on the beach with the amazing tits and pretty smile is exactly what Alex needs to smooth the rough edges of deception and disappointment. For Patty, a fling with a compelling stranger is a fun distraction, but she wouldn't seriously fall for a bum, would she? A girl has to have some standards.
