**Human Rights and Private Wrongs: Constructing Global Civil Society (Global Horizons)** Alison Brysk  
*Human Rights and Private Wrongs* breaks new ground by considering a series of fascinating issues that are normally ignored by human rights specialists because they are too "private" to consider as policy issues: children's labor migration; refugee policy towards unaccompanied minors; financial matters of investor and business responsibility; and complex questions involving access to the benefits of pharmaceutical research, transnational organ trafficking, and the control over genetic research.
