Journeys in New Worlds: Early American Women's Narratives (Wisconsin Studies in Autobiography)

Journeys in New Worlds: Early American Women's Narratives (Wisconsin Studies in Autobiography)

Four early American women tell their own stories: Mary Rowlandson on her capture by Indians in 1676, Boston businesswoman Sarah Kemble Knight on her travels in New England, Elizabeth Ashbridge on her personal odyssey from indentured servant to Quaker preacher, and Elizabeth House Trist, correspondent of Thomas Jefferson, on her travels from Philadelphia to Natchez. Accompanied by introductions and extensive notes.

"The writings of four hearty women who braved considerable privation and suffering in a wild, uncultivated 17th- and 18th-century America. Although confined by Old World patriarchy, these women, through their narratives, have endowed the frontier experience with a feminine identity that is generally absent from early American literature."—*Publishers Weekly*
