Our Next Life: A View Into The Spirit World Glen W. Park

This is an amazing collection of descriptions of the spirit world made by apostles and prophets, ancient and modern-day. There are additional descriptions from individuals who temporarily passed through the veil that complement those apostolic and prophetic statements. The book focuses on external conditions and surroundings in the spirit world, and discusses associations we can have and how natural we will feel there. The author shows the ongoing necessity of faith and continuing progress in character and spiritual development. A “view” of the activities and nature of the righteous in paradise, with their increased capabilities is presented. Limitations of the wicked are also described. This view into our next life helps the reader to better understand what the apostle Paul meant when he said: “. . . Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him” —I Corinthians 2:9
