**Reasons to be Happy: A Play** Neil LaBute

**Reasons to Be Happy** is the companion piece to Neil LaBute's widely praised, 2009 Tony-nominated **reasons to be pretty**.

Reasons to Be Happy features the same four characters--Greg, Steph, Carly, and Kent--picking up their lives three years later, but in different romantic pairings as they each search desperately for that elusive object of desire: happiness. New York City's MCC Theater will produce the world premiere in May 2013.
