Having a prim and proper wife, I knew what Jill was like before I married her, but I didn't expect what a little alcohol and a toy would do on The Holiday.

Excerpt:

As a birthday present, one year she even agreed to talk dirty to me, something that I knew Jill wasn't into. Yet kneeling behind her as Jill allowed me the pleasure of doggy style, I knelt in shock as Jill started to grunt and groan then hissed "Fuck I love that cock inside me"

Part of me wanted to laugh, if you knew Jill, then you would understand what I meant, yet another part froze in shock that she had actually said it.

Yet the next comment really blew my mind.....

"Oh shit Craig.....do you want to watch me finger myself" Jane gasped as I quickly pulled out of her then watched as Jane rolled onto her back and started to masturbate in front of me, before driving two fingers into her pussy as I watched the teasing smile on her face.

"I bet you never thought I'd do this?" Jane said with a grin.

Of course I didn't, Jane just wasn't that type, and yet true to her word, Jane had surprised me again.

Yet like I pointed out early, these incidents were few and far between.....

For the most part, sex wasn't a major concern, as far as I was concerned Jill made up for it in other parts of our life, it was very rare for Jill and I to have an argument about anything.

For the most part, each year Jill and I would head to England for our summer holiday, Jill knew that I had a real fear of flying and happily settled for two weeks in a nice hotel in England. By the third year of marriage, Jill was starting to talk about the possibility of going abroad.

I guess at first I wasn't prepared to take the bait, although when Jill offered to let me have sex as often as I wanted on holiday, I guess I was tempted, although not tempted enough to say yes.

"Who knows, I might even let you.....you know" Jill said with a dirty grin as she tried to make the deal more appealing.
