Charlotte Perkins Gilman

The Yellow Wallpaper: and Other Short Stories Charlotte Perkins Gilman

The title story is presented in the first person, the story is a collection of journal entries written by a woman (Jane) whose physician husband (John) has confined her to the upstairs bedroom of a house he has rented for the summer. She is forbidden from working and has to hide her journal from him, so she can recuperate from what he calls a "temporary nervous depression – a slight hysterical tendency," a diagnosis common to women in that period. The windows of the room are barred, and there is a gate across the top of the stairs, allowing her husband to control her access to the rest of the house. The story depicts the effect of confinement on the narrator's mental health and her descent into psychosis. With nothing to stimulate her, she becomes obsessed by the pattern and color of the wallpaper. "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw – not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper – the smell! ... The only thing I can think of that it is like is the color of the paper! A yellow smell." other stories are; THREE THANKSGIVINGS
ACCORDING TO SOLOMON HER HOUSEKEEPER AN OFFENDER MARTHA'S MOTHER WHEN I
WAS A WITCH MAKING A LIVING THE COTTAGETTE
