In this second book, the sequel to A Travel in Time to Grand Pré, twin souls, Madeleine and Michel, find themselves transported from 1775 to 2005, back to the Grand Pré of the twenty first century. Married in 1775, they bring valuable writings and artifacts with them to be used for the enlightenment of humanity. With many distinct threads skillfully woven together to create a rich tapestry, as well as meticulously researched historical events that frame the novel, the design of this marvelous work reaches its completion in several key messages from Yeshua, thereby outlining his true Gnostic teachings.
