Winter Fire (directed by Michael Page) The Civil War and the Culpeppers have taught Case Maxwell three things: how to be a patient, deadly fighter; to love nothing that can die; and that justice is blind. He has sworn vengeance on the Culpeppers, who destroyed all that he held dear. When a fight with them leaves him near-dead, Sarah Kennedy takes it upon herself to nurse him back to health. To the Ends of the Earth (directed by Sandra Burr) Photographer Cat Cochran has been to exotic places most people only dream about - but all she wants to do is settle down and get her life in order. One last assignment and she can put her past behind her. But first she must photograph the mysterious and elusive ship designer T.H. Danvers and his awesome creations. Remember Summer (directed by Sandra Burr) The most grueling challenge of Raine Smith's equestrian career looms before her - the Olympic Games. Little does she realize that she's about to face greater perils in the arms of a stranger than she's ever found on the back of her horse.
